
The Mayor's Hunters Point Shipyard Citizens Advisory Committee (CAC)
Environmental & Reuse Subcommittee
Monday, April 27, 2026

(Notes from missing video audio from 0:00 – 18:07)

Notes

Dr. Hunnicutt called the Environmental & Reuse Subcommittee meeting to order at 6:14pm. There were no other E&R members present at the start of the meeting, Malik Senefuru a Non E&R subcommittee member was present and subsequently regained his seat. Chair Hunnicutt gave an introduction and welcome to the presenters and the audience and introduced Michael Pound of the Navy.

Michael Pound provided an overview of each of the segments of the presentation, spoke on pages one through ten and then introduced Dr. Cathy Higley.

Additional CAC members Falal Satelle, Neola Gans and E&R subcommittee member Dedria Smith arrived during the Michael Pounds presentation.

Dr. Cathy Higley began her portion of the presentation beginning on page number 11, under Radiological Technical Advisor Analysis of Data.

(The meeting audio was restored but briefly went out again missing part of the EPA representatives beginning presentation.)
